Guest Lecture

On

“Introduction to Blockchain Technology and Its Contemporary Applications”

By

Chandru S,
Senior Engineer in Product Engineering,
Verisk, Coimbatore

Venue	Date	Time
Online mode through Zoom	07/12/2025	11:00 am to 1:00 pm

About the speaker: Enriching experience as a software engineer in software development, automation, and cloud-based solutions, currently working as a Senior Engineer in Product Engineering at Verisk India, where he leverages Python, AWS, and modern practices to deliver robust applications. His career path includes serving as a Senior Software Engineer at SigTech with a focus on Python and infrastructure, and advancing from Associate to Senior Software Engineer at UnitedHealth Group, where he built a strong foundation in enterprise systems and scalable automation.
